Reflection from Saint John Paul on the Rosary

"Today ... I am handing you the Rosary beads. Through prayer and meditation on the mysteries, Mary leads you safely towards her Son! Do not be ashamed to recite the Rosary alone, while you walk along the streets to school, to the university or to work, or as you commute by public transport. Adopt the habit of reciting it among yourselves, in your groups, movements and associations. Do not hesitate to suggest that it be recited at home ... because it rekindles and strengthens the bonds between family members. This prayer will help you to be strong in your faith, constant in charity, joyful and persevering in hope." Pope John Paul II, 8 March 2003
